Voters Meeting

Elders Report

The Elders met monthly in January, February, March, April and May. Additionally, we had special called meetings. The following are highlights from our meetings since November:

- Recap of the 2nd Annual Christmas Dinner
- Missionary Pastor updates
- Discussions on Church Security
- Recommendations to worship changes due to Covid19
- Two special meetings called at the end of March and beginning of April to discuss administering communion in the home. Discussions included review of scriptures, doctrine, and other writings regarding if it was appropriate and how to administer
- Discussed on-line worship and strides that have been made since mid-March. Worship team basically flew an airplane while building it at the same time. How do we continue to improve? Will definitely continue to offer on-line worship even when back to normal
- Unanimously approved Bob Cowan to be put on the ballot to the congregation as next Chairman of the Elders
- JB Stephenson accepted new role of Vice Chairman of the Elders
- Working with the Covid19 Emergency Management Team to get the physical church back open when the time is appropriate and with certain protocols
